

## Teacher To Attend Institute

Lloyd Buettgenbach of Daplegray Intermediate is one of 50 teachers from nine states selected to participate in a special science education summer institute at Oregon State University, Corvallis.

The institute is scheduled June 18 to Aug. 10 as a part of the university's summer session. Sponsor is the National Science Foundation.

Each of the teachers selected will receive \$75 a week plus travel, tuition and book allowances. Training will cover fundamentals of plant science, fundamental principles of chemistry, American resources and their conservation, advanced mathematics for science teachers, astronomy, rocks and minerals, natural history, and ornithology.

Oregon State University will be one of the nation's major centers this summer for science teacher and student institutes sponsored by NSF. Five special programs will be offered for selected college and high school teachers and for high-ability high school students.

All are part of a giant program organized by National Science Foundation to improve science and mathematics teaching and to increase the U. S. supply of top-flight scientists and teachers.

Buettgenbach's home address is 3040 Winlock Road.

## Shriners To Host Potentate

The Southwest area's El Toga Shrine Club and Del Sol Shrine Club will co-sponsor a Ladies Night dinner-dance Saturday evening at Jack Rogers' Jump'n Jack restaurant, 2900 Pacific Coast Hwy.

Guest of honor will be Joe Beranek Jr., Potentate of Los Angeles' Al Malakah Temple, who will be accompanied by the First Lady, Mrs. Beranek, and his staff. Both sponsoring clubs are among the 60 under the jurisdiction of Al Malakah Temple, and the Potentate's visitation constitutes a high point in their annual activities.

As jointly announced by El Toga president, Martin Hoover, and Del Sol president, Bill Roberts, Ladies Night dinner will be served at 8:30, with preliminary refreshments starting at 7 o'clock. Ticket donations are \$6 each. All Shriners, their ladies, and guests are not only welcome, but urged to attend, the sponsors, said.

## Local Coeds Graduate

Two Torrance students were among the 120 graduates who received degrees Sunday during the 100th annual Commencement at Chapman College, Orange.

Marianne Joyce, daughter of Mr. and Mrs. J. J. Joyce, 5533 Edgemere, and Mrs. Mary Wood, daughter of Rev. and Mrs. H. M. Sippel, 2914 Onrado, received Bachelor of Arts degrees. Mrs. Wood was graduated with honors.

Miss Joyce, who was editor of the student newspaper for two years, majored in English and Mrs. Wood, in economics and business administration.
